

UNITEDHEALTH GROUP®

Some people take things as they come. Others relentlessly push themselves to go farther. For these high performers, a position on a team at UnitedHealth Group is a natural fit. We offer more than the talent, resources and can-do culture of a Fortune 22 company. We offer a place to improve the lives of others while doing **your life's best work.™**

**When you work to  
better people's lives,  
one of those lives  
will always be yours.**

**Careers at UnitedHealth Group.** We have modest goals: Improve the lives of others. Change the landscape of health care forever. Leave the world a better place than we found it. Such aspirations tend to attract a certain type of person. Crazy talented. Compassionate. Driven. To these select few, we offer the global reach, resources and can-do culture of a Fortune 22 company. We provide an environment where you're empowered to be your best. We encourage you to take risks. And we offer a world of rewards and benefits for performance. We believe the most important is the opportunity to do **your life's best work.**<sup>SM</sup>

**HEALTH CARE BENEFITS**

**UnitedHealthcare Employer & Individual (2011 revenue \$45.4 billion)** – works with individuals, small- and medium-sized businesses, and large multi-site employers to develop health care benefits that work well for everyone.

**UnitedHealthcare Medicare & Retirement (2011 revenue \$36.1 billion)** – works to enhance access to quality health care for the 9 million individuals in the U.S. over the age of 50, as well as low-income Americans and those with disabilities.

**UnitedHealthcare Community & State (2011 revenue \$13.8 billion)** – provides high-quality, personalized, public sector health care programs that are more affordable and sustainable, and improve the health of approximately 2.4 million recipients of Medicaid, State Children's Health Insurance Programs, Special Needs Plans and related government sponsored health care programs.

**UnitedHealthcare Military & Veteran's (annual revenue \$300-\$500 million)** – in partnership with government health programs, improves the health and well-being of those who currently serve and have served in the past, as well as their families, by providing innovative, high-quality and affordable health care solutions.

**HEALTH CARE SERVICE**

**Making the Health Care System Work Better for Everyone**

A dedicated and independent business providing services to: 6,000 hospital facilities, 250,000 health care professionals and 60 million consumers.

**OptumHealth (2011 revenue \$6.7 billion)** – provides health information and services to educate nearly 60 million Americans about their symptoms, conditions and treatments; helping them navigate the health care system, finance their health care needs, and stay on track with their health goals.

**OptumInsight (2011 revenue \$2.7 billion)** – specializes in improving the performance of the health care system by providing analytics, technology and consulting services that enable better decisions and results, and integrating workflow solutions that deliver data in real-time and create actionable insights.

**OptumRx (2011 revenue \$19.3 billion)** – acts as one of the largest pharmacy benefit managers in the United States, meeting the pharmacy needs of more than 12 million Americans and specializing in the delivery, clinical management and affordability of prescription medications and consumer health products.

What makes you special can inspire **your life's best work.**<sup>SM</sup>
