Use your compassion to help us create greater health care.

Careers at UnitedHealth Group.

We have modest goals: Improve the lives of others. Change the landscape of health care forever. Leave the world a better place than we found it. Such aspirations tend to attract a certain type of person. Crazy talented. Compassionate. Driven. To these select few, we offer the global reach, resources and can-do culture. We provide an environment where you’re empowered to be your best. We encourage you to take risks. And we offer a world of rewards and benefits for performance.

UnitedHealthcare Employer & Individual
(2016 revenue $53 billion) – works with individuals, small- and medium-sized businesses, and large multi-site employers to develop health care benefits that work well for everyone.

UnitedHealthcare Community & State
(2016 revenue $32.9 billion) – provides high-quality, personalized, public sector health care programs to recipients of Medicaid, State Children’s Health Insurance Programs, Special Needs Plans and related government sponsored health care programs.

UnitedHealthcare Medicare & Retirement
(2016 revenue $56.3 billion) – works to enhance access to quality health care for the 9 million individuals in the U.S. over the age of 50, as well as low-income Americans and those with disabilities.

UnitedHealthcare Military & Veteran’s – in partnership with government health programs, improves the health and well-being of those who currently serve and have served in the past, as well as their families.

UnitedHealthcare Global offers the most complex mix of business offerings and services to a market that’s just beginning to realize what it means to travel safely and securely.

Optum (2016 revenue $83.6 billion) – making the health system work better for everyone. A dedicated and independent business providing services to 115 million individuals with a network of more than 67,000 pharmacies and 100,000 physicians, practices and other health care facilities.

OptumRx (2016 revenue $60.4 billion) – acts as one of the largest pharmacy benefit managers in the United States, meeting the pharmacy needs of more than 12 million Americans and specializing in the delivery, clinical management and affordability of prescription medications and consumer health products.

OptumCare meets patients where they are, keeping them healthier with easy access to important resources. We empower care providers in local communities so they can put each patient first.

Optum360 helps hospitals and physician practices reduce costs and improve the patient experience by working smarter, better and more efficiently.

OptumLabs unites a community of health care organizations dedicated to improving patient care by sharing information assets, technologies, knowledge, tools and scientific expertise.

This is your opportunity to do your life’s best work.SM
